• RT-9000F
FOLDING-END AUTOMATIC TAPE DISPENSER

Basic function of RT-7700 is same to RT-7000.

Also easy dissembling feature is same to RT-7700.

The special feature of RT-9000F is when tapes are come out, the end of tape is folded automatically. So, your factory workers don't leave your finger print on the tape, and final users can remove the tape easily when they open the product.

Of course, you can choose to use Folding function or not.
